Grant Details

B1. Description

Please briefly describe the project, scheme or service for which this grant is intended. Only applications for specific projects will be considered. Expenses linked to the day to day running of an organisation will not be funded.

Persistent water leaks ~~prior to a full roof replacement~~, and an aging roof - which contains asbestos - require urgent professional attention to secure the building and ensure a safe environment for our youth sections. To address these issues and secure the leaks prior to a full roof replacement, we need:
Licensed asbestos removal specialists to safely inspect, manage, and remove the hazardous materials.
Professional roofing contractors experienced with commercial or community hall roofs to evaluate the extent of the water damage and provide temporary waterproofing or structural repairs.

B2. Grant Beneficiaries

Please indicate which sections of the community will benefit from your project.

Beavers, Cubs and Scouts. We also thinking about extending it to younger generation.

B3. Timeline

Please indicate when the project will start. Grant funds will not be released earlier than 3 month before the start of the project. This also applies to events.

We have no timeline for now, but the sooner the better for our sea scouts (beavers, cubs).

Funding Details

C1. Total Cost

Please use the table below to provide an estimated breakdown of the expenditure for which this grant is being applied. Not sure

1st IOW (1 51 SANDOWN 1st LAKE) SEA SCOUT GROUP

CONSTITUTION

Part 1: Context

The Purpose of Scouting

The purpose of Scouting is to contribute to the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities.

The Scout Method

Scouting uses a Method, which is young people, in partnership with adults:

- enjoying what they are doing;
- learning by doing;
- participating in varied and progressive activiiies:
- making choices for themselves;
- taking responsibility for their own actions:
- working in groups;
- taking increasing responsibility for others:
- taking part in activities outdoors;
- sharing in prayer and worship;
- making and living out their Promise.

Key Policies

The Scout Association has adopted key policies relating to Child Protection, Anti-Bullying, Safety, Equal Oppo[!unities, Religion and Development.

Structure of the Scout Association

Scouting in the United Kingdom is organised in Scout Groups, Scout Districts, Scout Counties and Country Headquarters. These units of Scouting provide:

- Support;
- Channels for communication;
- Opportunities for youth Members and adults to make decisions and take responsibility;
- Functional units through which the design and delivery of the youth programme can be best achieved.

A Scout Group comprises one or more of any or all of the following: a Beaver Scout Colony; a Cub Scout Pack or a Scout Troop. Additionally, a Group may also include one or more Group Scout Active Support Units. An Explorer Scout Unit may also be attached to a Scout Group.

Registration of Scout Groups

A Scout Group cannot exist unless it has a current registration with the Scout Association. Registration is renewed annually by completing and submitting an annual registration and census retum as directed by Headquarters. Registration renewal also requires the payment of the Headquarters Membership Subscription and any District, and County Membership Subscriptions payable. The registration, suspension, and alteration or cancellation of registration are matters for the appropriate District Commissioner and District Executive Committee.
Charity Law does not permit a Scout Group to transfer from the Scout Association to any other body whether calling itself a Scout organisation or by any other name.
