Press Release

SANDHAM ACCESSIBILITY INITIATIVE

Sandown Town Council are welcoming the installation of the new dropped kerbs at the entrance of Sandham Gardens and Grounds, on Culver Parade.

Town Mayor Gary Young said 'The Town Council have supported this initiative for some time, and will enable wheelchair users and families with prams, to have better access to the Playpark, and we are grateful for the efforts of IW Council and Island Roads Colleagues, as well as Heritage for their support'.

Deputy Mayor Paul Brading added 'We are very mindful of improving, where we can, the accessibility in and around the Town, and this is the latest initiative that will make a difference to residents and visitors alike'.

The Town Council have published plans for new accessible toilets at St John's and Eastern Gardens, as well as made other investments such as a defibrillator, and improved amenities at the Broadway Centre.

Cllr Young concluded 'We are in the process of putting forward accessible initiatives in the forthcoming budget, as well as taking forward current plans which have been delayed during the pandemic'.
