Press Release

COUNCIL'S CHRISTMAS CELEBRATIONS

Sandown Town Council have completed the commissioning of new decorative lighting in time for Christmas, arranged for the installation of the Christmas Tree and lights near to the library before Small Business Saturday, as well as supporting a range of festive fun events.

Town Mayor Paddy Lightfoot said 'Thanks to the support of local residents, and contractors working to a very tight deadline (and still working) we've been able to install decorative lights in time for Christmas, and for the Carnival's New Year programme of events'.

The Town Council are also supported the Sandown & Shanklin Independent Lifeboat fundraising fayre, other fayres in the Town, a '12 days of Christmas' design project with the local school, the Christmas Celebration Day on the 11th, a fundraising quiz and other events, and only had to cancel a carol service following the changes in Covid guidance.

Paddy added 'In addition to maintaining an increased programme of activity at the Broadway Centre, we've been able to support a range of other community initiatives and, once covid guidance changes in 2022, we will be able to plan other activities for Christmas 2022'.
