

SANDOWN TOWN COUNCIL

THE PASSING OF HER MAJESTY, THE QUEEN

The councillors and officers of Sandown Town Council are deeply saddened to learn of the death of Her Majesty, the Queen and extend their heartfelt condolences to members of the Royal Family at this time.

We remember with immense gratitude her lifetime of service to the country and the Commonwealth, and her time spent in Sandown and on the Island.

The flag at the War Memorial has been set to half-mast where it will remain throughout the national period of mourning.

God save the King.
