## WARM SPACE FOR SANDOWN RESIDENTS

Christ Church, on Sandown Broadway, and Sandown Town Council have combined to provide a Warm Space for local residents, on Monday's between 11am and 3pm, for the Winter months.

Rev Mark Williams said 'We recognise the rise in the cost of living, and the other pressures on families and individuals, and are grateful for the support of the Town Council to provide a warm space for those that need it'.

Town Mayor Paddy Lightfoot added 'We have secured matched funding from the IW Council, and thank the Church for providing hot drinks, soup and socialisation for residents faced with rising energy bills and food costs'.

The Church will be open weekly from 31 October, with volunteers providing support and a drop-in facility, with hot soup for all that pop in.

Deputy Mayor Alex Lightfoot concluded 'We have also secured support for families at our local school, are working with other partners to provide other warm spaces in Sandown and nearby, for those that need them'.
