**b) Police Liaison**  
PCSO Chris Urry was attending in place of PCSO Cooke who was off duty. He reported that crime generally in Sandown was on the decrease, and the number of Anti-Social Behaviour calls had dramatically reduced.  
He mentioned the robbery at Sandown Jewellers and said the Police was grateful for the help of the public in apprehending the offender. He updated Councillors on the logistics of revised Police personnel. PCSO's are designated to specific areas, and overall there are 15 officers, made up of PCSO's, Police officers and 2 sergeants. The Mayoral chain has run out of space to have the current name engraved on it. It was last updated with 2010-11 details. There is room for 11-12 and 12-13 to be completed, but a further 3 links and discs are required to bring it completely up to

date. A quote from Fattorini's, the original supplier, for a second strand and a completely new chain were discussed and on a proposal from Cllr. Blezzard, seconded by Cllr. Cowley

**a) IWALC Meeting 21 January 2016**

Attended by Cllr. Blezzard on behalf of Cllrs. Humby and Wright who were both unable to attend. Report attached.

**b) Police Liaison**

See Police report on previous page. Cllr. Mereweather suggested that attendance at a Police Liaison meeting might be unnecessary if we were now able to get up to date information and occasional Police attendance at Council meetings. This will be brought up at the Annual Meeting of the Town Council

**c) Community Partnership**

Cllr. Teasdale reported that as a representative of the Partnership he had attended a meeting with the Coastal Community team and others at the Battery Gardens and the result of work there could be a major boost for Sandown. It would be nice to see the bricked up entrance opened up, with a metal gate so people could enter without having to go down via the manhole cover.

There was still great interest from Heritage Attractions in Sandham Gardens, but would hinge on discussions between them and the Isle of Wight Council and the employment of a Procurement officer.

Cllr. Mereweather added that the Honour Walk was now underway with the application form now being available from her, the Library or the Town Council.

Cllr. Humby added that she may be able to contact St. Pete Beach who might donate £200 towards costs as they had laid the first one back in May.

The Partnership were continuing with arrangements for a Skatepark Competition scheduled for 02 April.

**d) Any other**

There were no other meetings to be reported.

**1258/16**

**Discretionary Services Town & Parish Councils**

After discussion about the Public Conveniences, the state and the possible costs, and again making the comment that it is impossible to imagine how anyone can expect a tourist destination to not have public conveniences available, and to be financed only by those councils that had them within their boundaries, it was agreed that £50,000 would at least cover part of the service. On a proposal from Cllr. Blezzard, seconded by Cllr. Young

It was **RESOLVED** to instruct the Town Clerk to apply for the freehold of all five sets of toilets.

*During this discussion Cllr. Dupre showed disrespect for the Clerk and his fellow Councillors and finally left the room with no further comment at 8.22pm. Councillors asked that this outburst was minuted.*

Back page £120.00, full page inside £90.00, half page £50.00, quarter page £25.00 and eighth page £15.00.

The Post Office had responded in full to the Council letter expressing concerns over the perceived problems at the Spar shop. It said that all aspects of the trading would have been assessed prior to starting up the Post Office there, but everything is continuously monitored.

A new site to which the Noticeboard outside the old Post office was being looked at, and Island Roads will probably do the work when the site is decided upon. The possible new Town Square was being looked at.
