## **21-2025/26 LICENCING APPLICATION**

### **1. To consider recently submitted licencing applications.**

No new applications had been received.

### **2. To receive any feedback relating to submitted comments.**

Members considered the response from the Licensing Officer to their submitted comments noting the following:

- The licence holder cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behaviour of customers in the immediate vicinity of the premises or as they enter or leave.<sup>1</sup>
- Each application is deemed on its own merits, therefore an application for a premises licence does not have to mirror other timings which have been granted to nearby premises<sup>2</sup>.

As such the committees' objections highlighting existing antisocial behaviour and street drinking, and the requests to address these issues were not considered.

However, the Police had been consulted, though this was not apparent from the application, and had placed conditions on the licence including:

- Training for all staff every 6 months with records demonstrating this and list of staff authorised to sell alcohol.
- Record of all refusals / ID checks / incidents
- Challenge 25
- Requirement for CCTV and related conditions
- Restrictions on sale of certain products
- Restriction on sale to 23:00 hours.
